## **R&R #6 PURPOSE OF RULES & REGULATIONS EFFECTIVE 12-15-99**

### **6.0 PURPOSE OF THESE RULES AND REGULATIONS**

These Rules and Regulations in conjunction with other Truro Fire Rescue standards such General Orders, Standard Operating Guidelines, Protocols, etc and other Town, County, State, and Federal rules and regulations, laws, protocols and the like are the basis for the governing of the Truro Fire Rescue and to provide personnel with instructions to guide their official conduct as a member of Truro Fire Rescue.

6.1 It shall be the duty of each member of the Truro Fire Rescue to read and understand these rules and regulations and conduct himself/herself accordingly.

6.2 It also should be understood that it is impractical, if not impossible, to formulate rules and regulations that would cover every situation that could present itself. Thus it will be left the intelligence and discretion of the individual member how he/she handles such a situation not covered by these Rules and Regulations and other aforementioned standards, keeping in mind that the member will be held responsible for any improper and/or negligent conduct.
